FIN02/017 MATTERS ARISING

17.1 The Secretary reported that it was intended that Disaster Recovery Plan would be put before the Committee at its next meeting.

ACTION: ROY DUNN AND DEBORAH FARLEY

17.2 The Secretary reported that all the legal processes in connection with the overdraft facility were due to be completed the previous day and, as long as all the Bank's requirements were now satisfied, we would be able to start using the facility during the current week. It was agreed that once the overdraft facility was in place subsequent payments to creditors that were made to bring accounts up to date should be accompanied by a note apologising for the tardiness of payment and indicating that such delays would not be likely in the future.

ACTION: PAUL BAKER

17.3 Work on the Staff Handbook was not complete due to the excessive amount of work currently being undertaken by the HR Department with regard to the recruitment of partners. It was anticipated that the Handbook will be available for the Committee to review at its next meeting.

ACTION: DENISE THOMPSON

17.4 It was noted that the recommendation from BDO Stoy Hayward for contracts of employment for staff to include work for the Professions Supplementary to Medicine Charitable Trust had not yet been implemented. It was agreed that this should happen as soon as possible in order to mitigate the potential VAT risk under the current contract.

ACTION: PAUL BAKER & DENISE THOMPSON

18.4 Details of the meeting held prior to the Finance and Resources Committee were reported by Dr Sandy Yule, the Chairman of the Committee.

FIN02/020 BUDGET (VERSION 3) FOR THE YEAR ENDING 31ST MARCH 2004

- 20.1 The Revised Budget for 2003/4 was presented and the Committee noted the changes from the previous version, which included a reduction in Income from Registrants due to the later than expected fee change from £22 per annum to £60 per annum, a Revenue grant from the Department Health of £1,030,000. Total income was now £7,517,000 (previously £7,167,000). Expenditure now totalled £8,162,000 (formerly £7,815,000). The major increases had been within Education and Policy (up by £171,000), IT and Project Management (up by £299,000) and Legal Services (up by £109,000). Reductions were evident in Operations (down by £152,000) and Communications (down by £280,000).
- 20.2 It was AGREED that the operating expenditure should be reduced by £100,000 to compensate for the risk that income from registrants might not reach budgeted levels due to the introduction of the new Rules.
- 20.3 The overall budget deficit disclosed (excluding unrealised gains/losses) was £645,000. This budget was APPROVED subject to a reduction in costs of £100,000 and a revision of the total deficit to £545,000.
