

Executive Summary and Recommendations

Returners to Practice consultation paper

Introduction

Following the suspension of the old return to practice process, the Executive has drafted the following consultation paper, which includes new proposals, and a suggested way forward to implement a new process.

Decision

The Council is asked to agree to go ahead with the consultation as outlined in the attached consultation document.

Background information

None.

Resource implications

Support for the consultation to be provided by the Policy Manager.

Financial implications

Mailing of consultation document to HPC's consultation list (finances to come from Policy budget, within Communications).

Background papers

None.

Appendices

None.
