## Registration Management Commentary

### 1. Operational Performance 1 March to 31 March 2014

#### a) Telephone Calls

**i) UK Telephone Calls** – During the period from 1 March to 31 March 2014 the team received a total of 12,012 telephone calls which is 3,277 more calls when compared to the same period two years ago and represents a 38% increase in call volumes. The team answered 93% of calls received compared to 96% during the same period two years ago.

**ii) International Telephone Calls** – During the period from 1 March to 31 March 2014 the team received a total of 738 telephone calls which is 148 more than the same period last year and represents a 25% increase in call volumes. The team answered 96% of calls received compared to 92% during the same period last year.

#### b) Application Processing

**i) UK Applications** – A total of 844 new applications were received which is 38 less when compared to the same period last year and represents a 4% decrease in UK application volumes. The team registered 806 UK applications which is 64 less when compared to the same period last year and represents a 7% decrease. A total of 17,366 UK applications have been registered this financial year which exceeds the forecasted end of year figure of 14,181, indicated in the 'Registrant Number Forecast 2013 – 18, August 2013'. The team processed 100% of UK applications within our service standard of ten working days.

The team processed 100% of readmission applications within our service standard of ten working days.

**ii) International Applications** – A total of 387 new applications were received which is 159 more when compared to the same period last year and represents a 70% increase in international application volumes. The team registered 213 applications which is 20 more when compared to the same period last year and represents a 10% increase.

**iii) Grandparenting Applications** – A total of two grandparenting applications were registered which is five less when compared to the same period last year. As at 31 March 2014 only six grandparenting applications were outstanding.

#### c) Emails

**i) UK Emails** – The team responded to approximately 195 emails per day which is 62 more when compared to the same period two years ago and represents a 47% increase in UK email volumes. The team responded to these on average within one day of receipt which meets our service standard of two working days response time and compares to two days response time, which is the performance achieved during the same period two years ago.

**ii) International Emails** – The team responded to approximately 21 emails per day which is nine more when compared to the same period two years ago and represents a 75% increase in international email volumes. The team responded to these on average within one day of receipt which meets our service standard of two working days response time and compares to two days response time, which is the performance achieved during the same period last year.

**d) Continuing Professional Development (CPD) Audit**

At the start of February 2014 1,224 physiotherapists were selected for CPD audit. As at the 22 April 2014, 133 CPD profiles have been assessed with 109 meeting our standards for CPD and requests for further information being requested from the remaining 24 registrants whose profiles were assessed. A further 521 CPD profiles have been received from physiotherapists selected for CPD audit and are currently awaiting assessment. Also, as at the 22 April 2014 there have been 119 requests to defer the current audit with a further 34 physiotherapists selected for CPD audit requesting to deregister voluntarily.

At the beginning of March 2014 86 arts therapists were selected for CPD audit. As at the 22 April 2014 12 CPD profiles have been received and are awaiting assessment.

At the start of April 2014, 209 dietitians were selected for CPD audit. As at the 22 April 2014 one profile has been received and is currently awaiting assessment.

The majority of CPD profiles arrive towards the end of the three month renewal period which explains why only a relatively small number of profiles have been received from arts therapists and dietitians.

There was one CPD assessment day held during this period. CPD assessment days are now scheduled to take place every two weeks up until July 2014.

**e) Registration Renewals**

At the start of February 2014 48,959 physiotherapists were invited to renew their registration and registrants have until 30

April 2014 to complete their professional declaration and pay their fee. As at the 22 April 2014 90% of physiotherapists have renewed their registration.

At the beginning of March 2014 3,447 arts therapists were invited to renew their registration and registrants have until 31 May 2014 to complete their professional declaration and pay their fee. As at the 22 April 2014 50% of arts therapists have renewed their registration.

At the start of April 2014 8,357 dietitians were invited to renew their registration and registrants have until 30 June 2014 to complete their professional declaration and pay their fee. As at the 22 April 2014 38% of dietitians have renewed their registration.

The percentage of registrants renewing online this financial year is 89.6% rather than 80% as forecast which has reduced the number of paper renewal forms received.

**2. Resources**

**a) Employees**

The department operated within its budgeted headcount during this period.

### 4.3 Audits & updated processes

The schedule for the next series of ISO9001 audits is being developed. See 4.1 Tests of encryption are to be trialled within the Registrations department (CPD). Draft processes have been developed.

The “Commons Health Committee process” has been completed. Processes related to direct debit failure and subsequent removal have been updated in the Registrations IT system, and these changes must be updated to the QMS. The Council Member Appointments process has been updated. The Professional Indemnity Insurance process has been drafted for Policy.

Minor updates to some Facilities processes have been carried out. BSI have restarted the migration of our existing QMS to the BSI Entropy platform.

An Aspirant Professions process has been drafted for external use by the Chief Executive

**4.6 ISO27001 project Information Security Work**

An Information Security Management System (ISMS) is under construction. Detailed policies are being mapped to existing roles within the organisation. On going mapping of existing processes to the policy set is required to be completed before assessment by BSI for the initial part of certification.

**4.7 Business Continuity / Disaster Recovery Planning**

An evaluation of electronic delivery methods will be undertaken in early May 2014.

**4.8 Information & Reporting Activity**

The graph below shows current carton/box numbers within the archive system. Registrations storage is being assessed to validate scanned copies exist before hard copy destruction. There has been a slight increase whilst this is in progress.

**Other items**

A small group of CDT is about to start looking at the content required for this financial years information security training for employees and contractors, partners and members. Although the overall message is the same, we attempt to vary the delivery mechanism each year, to prevent those undertaking the training from becoming jaded.

**4.9 Departmental Matters**

Following the retirement of the Information Services Manager, a new role (Quality Compliance Auditor) has been created and Kayleigh Birtwistle has been selected from an internal pool of candidates. She will commence work with BPI in late May 2014.

A Business Analyst will be recruited into the Operations area in the new financial year.

## **5. Facilities Management Commentary**

### **5.1 Staffing**

There are six permanent employees including the Facilities Manager. Services provided include Reception, Building Maintenance, Post Room, Health & Safety and Building Project Management. A further fixed term contract post of Receptionist has been recruited for with an estimated commencement date early in May 2014.

### **5.2 Office Moves**

Planning has commenced for a further round of Office moves. These are scheduled to take place early in June 2014. The Departments moving are Human Resources and Fitness to Practise

### **5.3 Redecoration to areas within 186 Kennington Park Road**

Redecoration work has been carried out to a further area on the 2<sup>nd</sup> Floor of 186 Kennington Park Road, joining to 2 small rooms to provide a larger meeting room suitable for Fitness to Practise hearings. Following feedback on adverse temperatures in this area and another on the 1<sup>st</sup> Floor used for ICP, air conditioning has also been installed in these areas.

It is also planned to use a large meeting room on the 2<sup>nd</sup> Floor of this building for Office Space and this planned usage will commence around the time of the office moves scheduled for early June 2014.
