PLGs' CONSULTATIVE MEETINGS AND ENGAGEMENT WITH OTHER STAKEHOLDERS

Introduction and Recommendation

This paper sets out the background to and proposals for wider stakeholder involvement in the CPD PLG's work and possibly the other two PLGs as well. It then asks ETC for a decision on whether to hold a meeting of the Educationalists Forum in November and if it might involve all three PLGs.

CPD PLG Recommendation

Item 5.3 of the PLG notes for 18 August 2003 show,

- " The PLG then discussed wider stakeholder involvement in 2003. It was agreed to raise with the ETC at its meeting on 24 September whether the " Educationalists Forum " could be convened prior to the ETC on 19 November 2003 for this purpose. The Chairman of the PLG should also discuss this with the Chairmen of the other two PLGs and the Committee. Members were invited to suggest other stakeholders to involve at this stage. "

The PLG was clear that the meeting needed to be an all-day event and not on the same day as ETC.
