

**Health Professions Council  
Education and Training Committee Meeting, 28<sup>th</sup> March 2007**

**Standard of Education and Training 3.3**

**Executive Summary and Recommendations**

**Introduction**

Standard of Education and Training (SET) 3.3 states:

‘There must be a named programme leader who has overall responsibility for the programme and who should be either on the relevant part of the HPC Register or otherwise appropriately qualified and experienced’.

Item 13.5 of the Council meeting on 14<sup>th</sup> December 2006 states:

‘The Council agreed that the issue of appropriate qualification of programme leaders should be referred back to the Education and Training Committee for further discussion’.

The Visitors and the Education department have not found the wording of this SET to be an issue because staffing and resourcing issues are covered by the group of SETs that make up SET 3. It is intended that SET 3.3 is considered as part of the overall review of the SETs.
