

Health Professions Council

Education and Training Committee Panel

Request for cancellation or rescheduling of visit

Name of programme	BSc (Hons) Occupational Therapy (2 year accelerated programme)
Name of education provider	Colchester Institute
Mode of delivery	Full time
Date of decision	11 June 2009

Panel : Eileen Thornton, Chair
John Donaghy
Alan Mount
Jeff Seneviratne
Diane Waller

Guidance for Panel Chairs

In deciding whether to agree that a visit is required, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC Visitors' report and any observations on the report made by the education provider.

The Visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision:
That the programme has been subject to major change and that an approval visit should be held in March 2010 to determine how the programme continues to meet the standards of education and training.
Reasons
The programme is being transferred to the University of Essex, the existing validating body and an approvals visit in March 2010 would enable the

visitors to review all aspects of programme. There is minimum risk associated with this timing. This is in line with the education provider's request for the timing of the visits to the programmes.

The education provider already runs a number of approved programmes which indicates that programmes are adequately resourced.

Signed: Eileen Thornton (Chairman of the Panel)
