

Education and Training Committee – 25 November 2009

Paper title: Health and Character Declarations

Executive summary and recommendations

Introduction

This paper is intended to provide the Education and Training Committee with an update on Health and Character Declarations that have been received by the HPC. Panels are currently meeting 6 times a month.

Decision

This paper is for information only. No decision is required.

Background information

Due to the timing of this meeting, the statistics for Health and Character cases have been updated for only 2 months up to and including October rather than the usual 3 months. The increase in cases received for the last 2 months is in part due to the large number of health referrals made on renewal of registration which do not need to be referred to a registration panel.
