Panel: Diane Waller (Chair) Penny Renwick

Guidance for Panel Chairs

In determining whether to reconfirm ongoing approval subject to the scheduled approval visit in 2011/2012, the Panel must reach its decision on the basis of the evidence put before it, in the form of the HPC visitors' report.

The visitors' report is only a recommendation and the Panel may depart from that recommendation where it is satisfied that it is appropriate to do so.

The Panel must reach its own decision and give reasons for that decision.

Decision
That the visitors' report should be accepted and the programme should have ongoing approval reconfirmed subject to the scheduled approval visit in 2011/2012.
Reasons
The Panel is satisfied that the most appropriate way to assess the programme against the standards of education and training is through the approval visit scheduled for the academic year 2011/2012.
