Name: Elspeth McCartney

Date: 2 October 2009

Additional comments:

The annual monitoring documentation included proposed changes (especially Appendix 3b) due to be implemented in 2009. As annual monitoring is a retrospective process these changes cannot be considered as part of this audit. The curriculum changes being implemented in 2009 may impact on how the programme meets the SETs and how students meet the SOPs. The HPC will require formal notification of these changes through the major change process.
