

Education and Training Committee – 8 September 2011

Review of the Health Professions Council (HPC) Admission Form for International / EEA applicants

Introduction

This paper provides an explanation of changes made to the following documents:

- Admission form – International / EEA applicants.

Decision

The Education and Training Committee (ETC) is requested to approve changes to the admission form.

Background information

The admission form was last reviewed in April 2011 in preparation for the removal of the requirement to submit a health reference and the consequential changes to the health and character self-declarations.

The processes for verifying an applicant's identity, professional experience and education are kept under constant review. A number of changes are proposed to the International/EEA application form that will assist in that verification. The changes also reflect feedback provided by applicants, registrants, HPC employees and other stakeholders about making the form clearer and more user friendly.

The main changes to the International / EEA form are:

- requiring applicants to provide at least one professional reference (applications will be treated as incomplete if a reference is not provided);

(See application form page 1 'Checklist' and pages 14-19, Section 9 Professional Reference)

- making the 'Registration details' section on page 2 of the form more comprehensive.

(See application form page 2 Section 1 Registration details)

- requiring applicants to provide details of any qualifying or entrance examination they have taken for their profession, other than one that formed part of their professional education (e.g. a licensing or regulation board examination).

(See application form page 4 Section 4 Regulatory body)

- requiring applicants to identify any relevant regulator for their profession in respect of each position set out in their career history .

(See application form pages 8-13, Section 8 Career history)

- including a background check consent form, which enables the HPC to employ a third party agent to conduct background checks in circumstances where the Registration Department is unable to complete them.

(See application form page 24 Section 13 Background check consent form)

The changes have been reviewed the Solicitor to the Council.
