
Education and Training Committee Panel

Concerns about an approved programme's ongoing adherence the standards of education and training investigated under the programmes concerns process

Concern reference	14776
Date of decision	11 September 2019

Panel: Stephen Wordsworth (Chair)
Maureen Drake

Luke Jenkinson
Sonya Lam

Decision
That the concern investigation is resolved, as there is no case to answer.
Reasons
The Committee noted that the Executive recommendation was to take no action as the investigation had found that the education provider has acted reasonably. It had been found that there were no breaches in application of University policies or procedures. The Committee agreed to close the investigation with no further action.
