Education and Training Committee business 2024

Executive Summary

A draft plan for Committee business in 2024 is attached. This is intended as a basis for discussion at the meeting, recognising that there may be changes to the precise timing of items reaching the Committee in the final plan.

Previous consideration	This is the first presentation of the plan of business for 2024 to the Committee, however, plans for business in previous years have been considered by the Committee.
Decision	The Committee is asked to review and comment on the plan for 2024.
Next steps	The plan will continue to be reviewed and updated during 2024, including to incorporate other items requested by the Committee at its meetings.
Strategic priority	Strategic priority 2: Promote high quality professional practice - Enable our professions to meet our standards so they can adapt to changes in health and care practice delivery, preventing harm to service users.
Financial and resource implications	No direct financial or resource implications.
EDI impact	None
