**Panel:** Sonya Lam (Chair)                      Joanna Mussen  
Maureen Drake                                      Gavin Scott  
Sue Gallone

<b>Decision</b>
The Panel considered the major change visitors' report. The Panel agreed with the visitors' assessment that there is currently insufficient evidence to determine if or how the programme continues to meet the standards of education and training listed.
<b>Reasons</b>
The Panel agreed that a visit should take place to gather more evidence and if required place conditions on ongoing approval of the programme. The Panel agreed the visit remit should be to assess the programme against all of the standards of education and training. Given the nature of the changes notified The Panel agreed that the visit should take place in 2-3 months.
