

Practitioner Psychologists

This month we are proceeding with the interviews for Visitors and Registration Assessors. At this stage it is anticipated that a second round of interviews will need to occur to recruit the required numbers for Panel member and Visitor.

Current Recruitment - Visitors

June was a very successful month of recruitment for Visitor roles. Offers of employment have been made across the following modalities; Operating Department Practitioner, Paramedic, Prosthetist/Orthotist, Radiographer, Dietician, Occupational Therapist Clinician and two offers were recently made to Biomedical Scientists for recruitment carried out in July.

Recruitment – CPD Assessors

Four Operating Department Practitioners were recently recruited to support the eight recruited previously. It is anticipated that this will adequately cover the operational requirements.

Training – Refresher Panel Chair

All thirteen Panel Chairs attended the half day training on 27th June 2008.

Training – CPD Assessor

Seven Operating Department Practitioners attended the CPD Assessor training on 24th June in readiness for the profile assessments.

Training – July and August

Training scheduled for the coming months includes training for the new Panel Members, Visitors and Registration Assessor

Partner Re-appointment

July 31st marks the end of the two year agreement for a large number of our Partners. The Partner department is therefore in the process of following up on the return of a number of partner contract re-extensions and ensuring partner records and systems are updated.

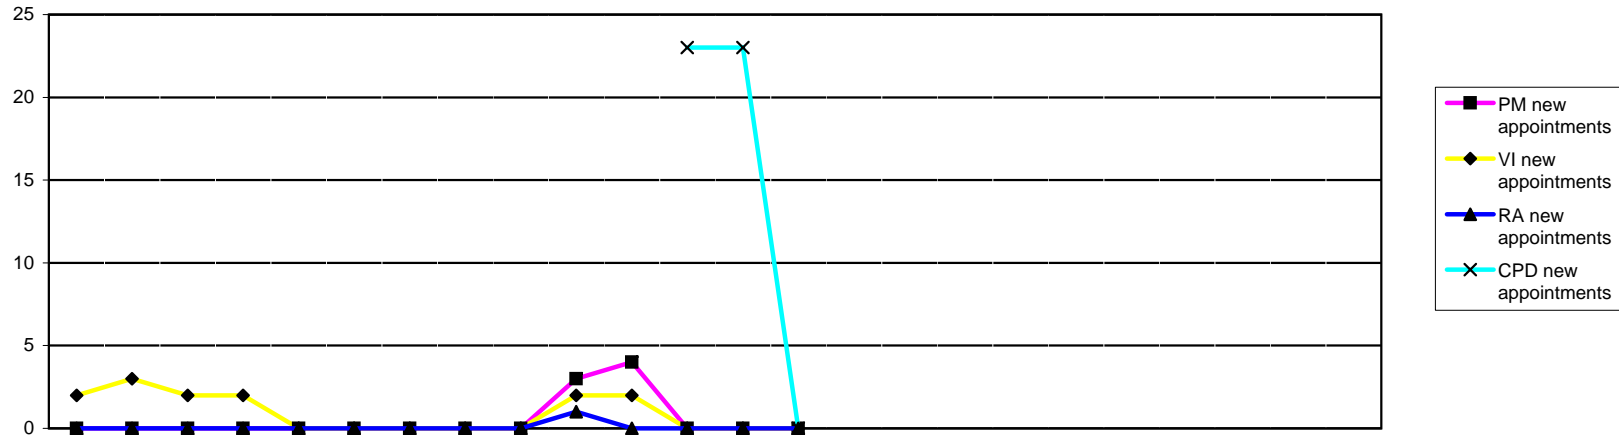

NB the volumes for panel members, visitors, registration assessors and CPD assessors include some partners performing several roles
